The current HE climate

The number of 18 years olds in the UK is just starting to climb.

The current HE climate

- Number of 18 year olds is increasing again
- Covid, CAGs and TAGs skewed the market slightly
- UCAS applications data from the 2022 cycle: **766,775** applications in total (up 2.4%); **563,175** were accepted (up 0.2%)
- Competition for places at top universities will remain as hard as ever
- It is still a very good time to apply to university!

Why Go To Uni?

- You enjoy studying and want to continue!

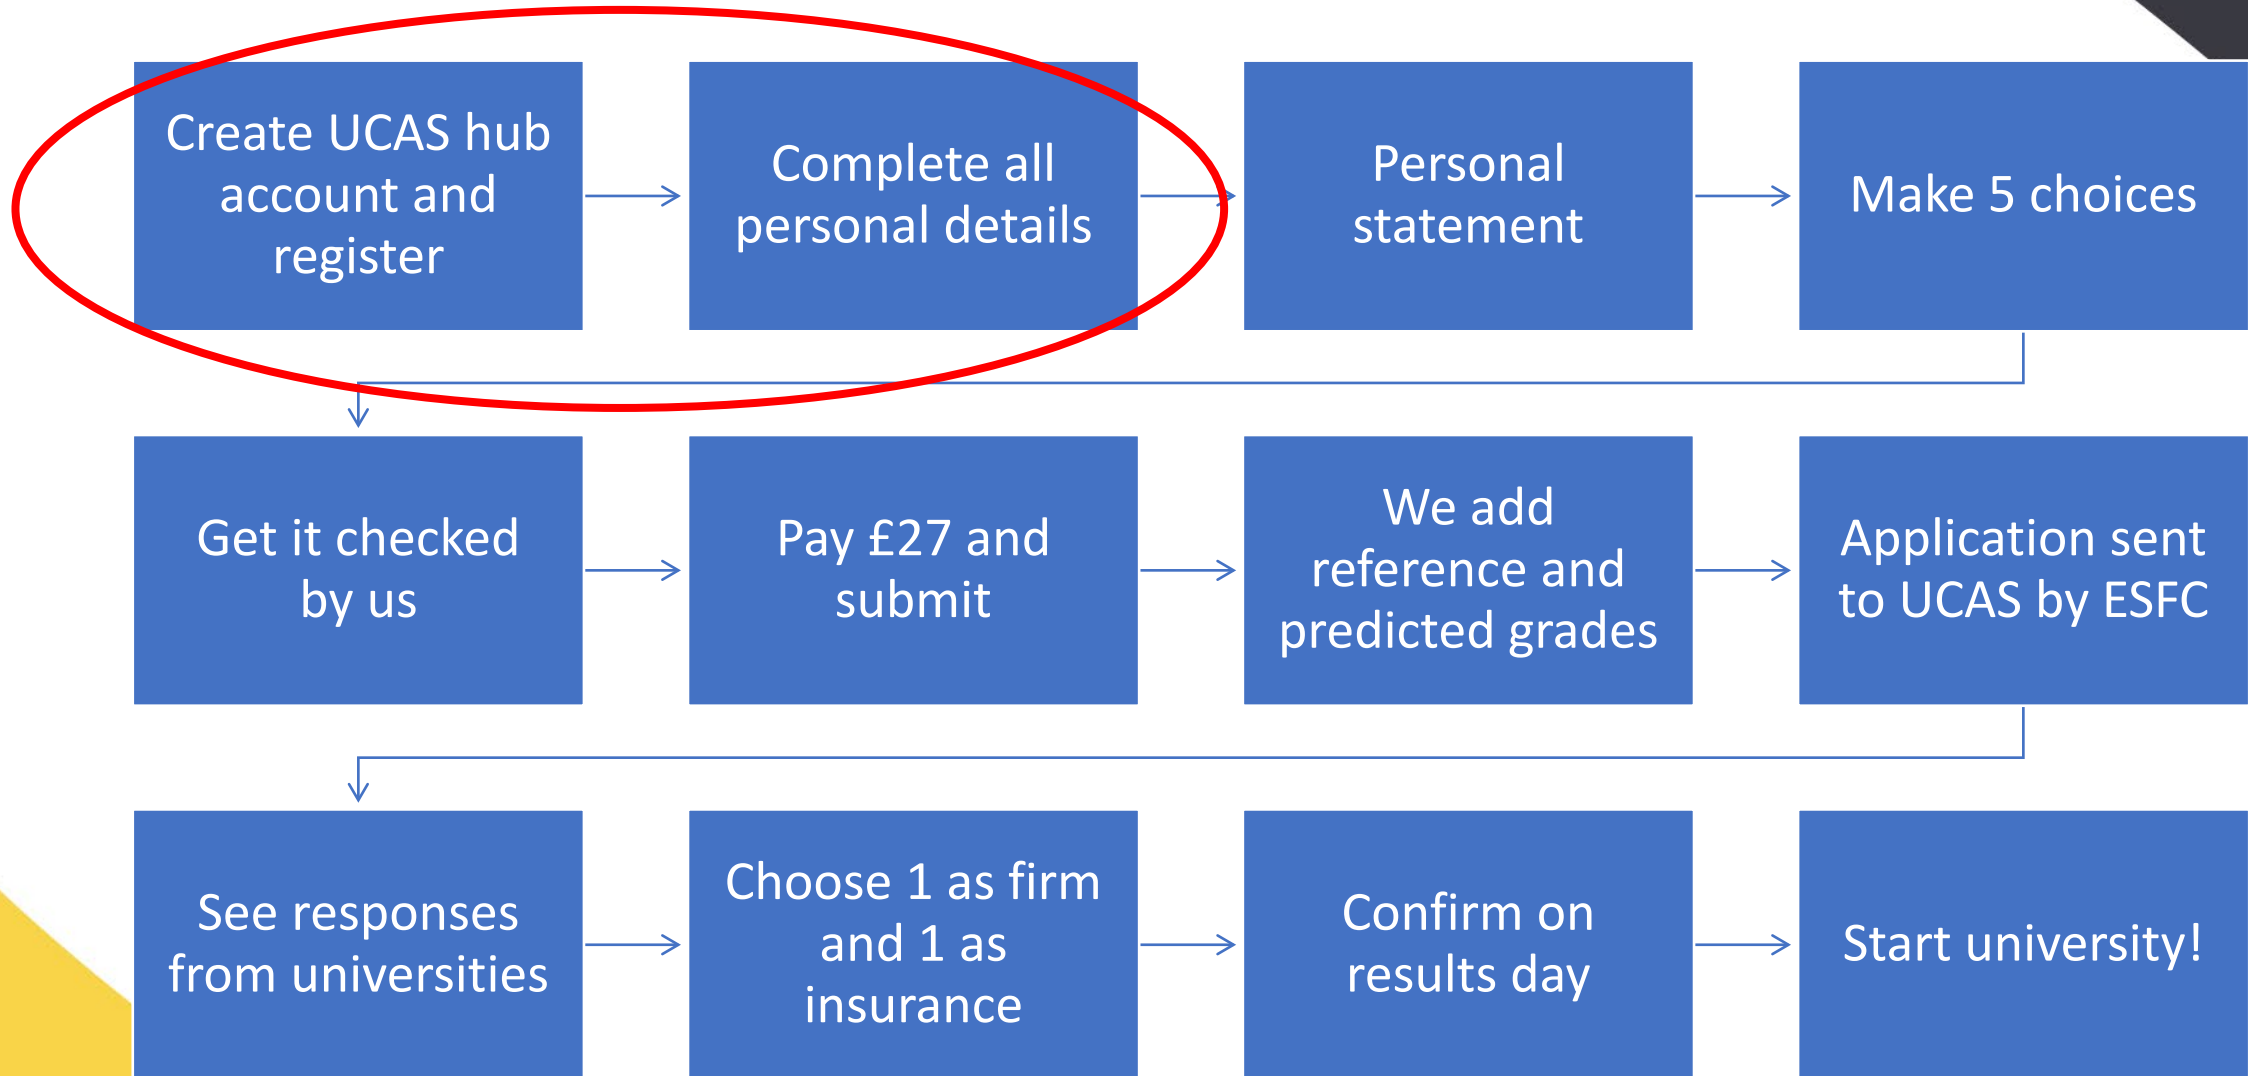

How to support your student

Sarah West from the University of Reading

**University of
Reading**

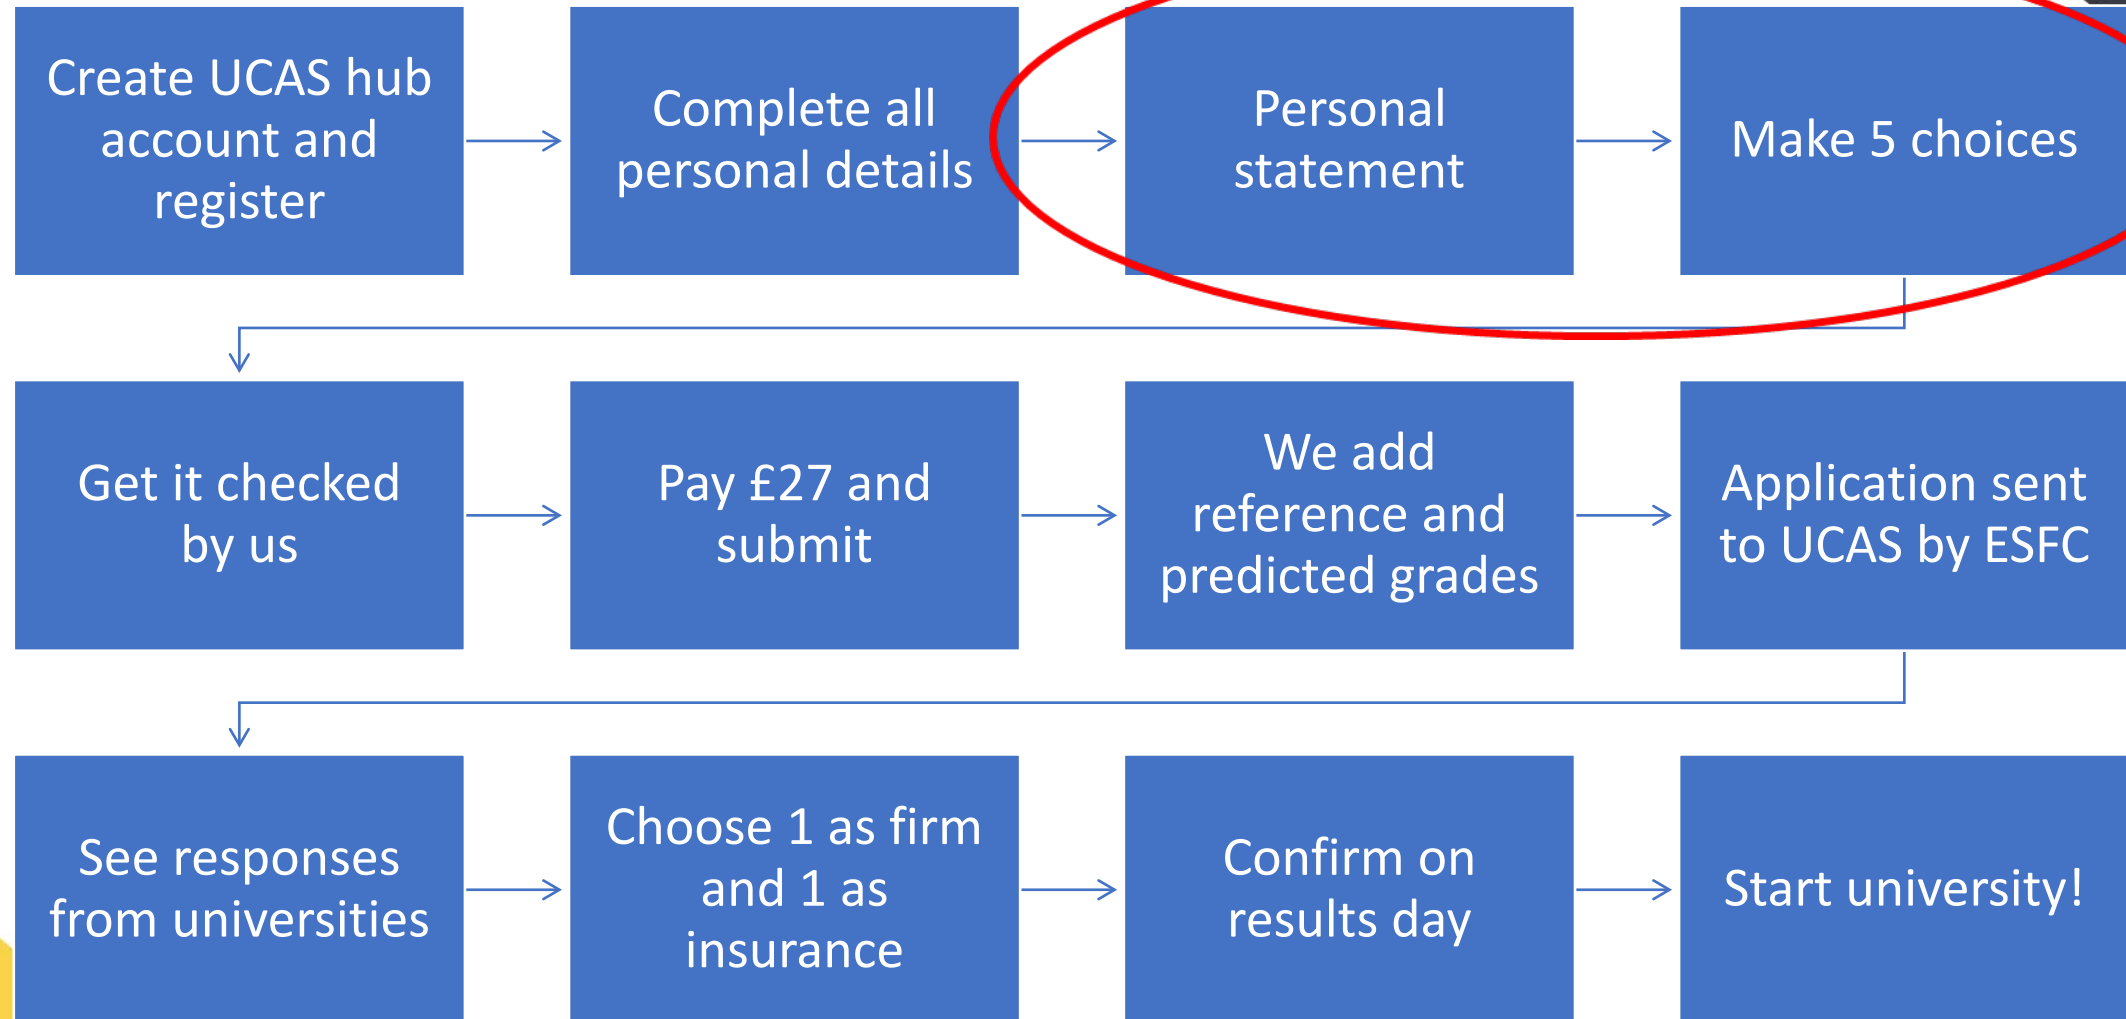

How does Esher SFC support students?

Create UCAS hub account and register

- On **After Esher Day** (27 June)
- Create a **UCAS hub** account
- Link application to ESFC with a **buzzword**
- Complete all **personal details** (*harder than you think!*)

How does Esher SFC support students?

Personal statement

- Use **personal statement** tool on Unifrog
- Every draft saved so every teacher and tutor can see it to give feedback
- **75-80%** of statement needs to be focused on academic and other skills, with evidence
- **Super-curricular** activities are only valuable if they provide **evidence of skills**
- Students will get input on this on **After Esher Day**
- Parents' talk online the evening before
- First part of autumn term PDP is focused on PS

UK Personal Statement

- ✓ Subject added
- ✓ Started
- ✗ Character count
- ✗ Marked as finished

[Go to tool >](#)

What do universities find out from the PS?

- Have they chosen the **right subject** for the right reasons?
- Do they know what **studying the subject** actually involves?
- Do they have real **academic** or **vocational interest** in the subject – evidence?
- Are they **motivated and committed** and can they study **independently**?
- Do they possess good **numeracy** and **literacy** skills?
- Do they possess relevant **‘soft skills’** – team work, leadership, resilience, problem solving etc? (*Work experience or The internship will provide excellent evidence for these.*)

Beware!

Do not be tempted to 'buy' a personal statement or use Chat GPT

Plagiarism and AI detection software will check for 'template' answers.

Help to choose

- 5 choices – except for medicine and vets (4 +1)
- **Cannot** change your mind once form is submitted
- Advice: 2 or 3 **aspirational**, 1 or 2 **solid** and 1 **safe**
- If you are very aspirational you might be disappointed
- **Historic entry grades data** can be very useful
- Subjects and institutions **vary** – research is **essential**

UCAS Historic entry data tool – new for 2024

Biomedical Sciences at Bath

A level - Typical offer

AAA or A*AB

AAA or A*AB in three A levels including A in Biology and A in Chemistry

A level - Alternative offer

AAB

Most of our students will join us with three A levels, but you may have study beyond this (such as a project qualification or additional study in maths) which demonstrates your individual talents that will help you with your degree. We recognise these studies through our alternative offers.

Qualification type: A level

[Change course selection](#)

Minimum grade held by accepted applicants (excluding outliers):

BBB

Most common grade held by accepted applicants (mode):

AAA

Maximum grade held by accepted applicants (excluding outliers):

A*A*A*

*To remove outliers the top and bottom 5% of accepted applicants have been removed.

Unifrog – our destinations platform

- **Unifrog** is our main research tool
- Unifrog was launched to students before Christmas
- Unifrog parent form code: ***COJBparents*** (only valid for 90 days from 14/03/23)

The screenshot shows the Unifrog website's student sign-in interface. At the top left is the 'unifrog' logo. To the right are navigation links: 'ABOUT', 'BLOG', 'CUSTOMERS', 'CONTACT', and a 'SIGN IN' button. The main heading is 'Student sign in'. Below it are two input fields: 'Your email address' and 'Your password'. A green 'Sign in' button is positioned below the password field. A link for 'Forgotten your password?' is located below the sign-in button. On the right side, there is a list of options with green arrows pointing to the right:

- Been given a Form Code?
➤ [Sign in for the first time](#)
- Are you a teacher?
➤ [Sign in as a teacher](#)
- Are you a referee?
➤ [Sign in as a referee](#)
- Your school hasn't joined yet?
➤ [If you'd like it to, please contact us.](#)

Psychology - 3FT BSc (Hons)

University of Lincoln
Aspirational - TEF Gold

The BSc (Hons) Psychology degree aims to provide students with a strong foundation of knowledge and expertise within the subject. The degree is taught by research-active academics with specialist areas of expertise including cognitive neuropsychology, vision and attentional processing, infant cognition and language, mental health, forensic psychology and life span development. Students are encouraged to participate in original research projects with staff throughout the course, and may have the opportunity to publish and present findings. Students have the opportunity to learn through a combination of theoretical, lecture-based teaching, small group seminar discussion and practical experimentation.

How does Esher SFC support students?

UCAS unifrog

Get it right, get it checked,
get it in!

How does Esher SFC support students?

Reference – new format

Enter a general statement about your school/college
(mandatory for applications sent via a registered centre)

Enter any information about extenuating circumstances which
may affect this applicant's performance in examinations or other
assessments (optional)

Outline any other circumstances specific to the applicant that you
think universities/colleges should be aware of (optional)

UCAS grades

- We add predicted grades (**UCAS grades**)
- Based on a variety of information, but especially **6.1 Formal Exams**
- UCAS grades released on student and parent portal on **27 June**
- Students should apply aspirationally but not stupidly!

What do the universities do?

- **Sometimes** additional tests, interviews, auditions, portfolios necessary
- Unis make **offers** or **rejections** – ongoing until May
- Offers - **grades** or **UCAS tariff points**
- **Students decide which offers to accept** and reject the others – in May
- **Firm** offer – top / best / most aspirational
- **Insurance** offer - usually lower or more flexible
- **If 5 rejections** - **UCAS Extra** from February until they receive an offer from somewhere

What do the universities do?

- **Market principle** applies – grade offers reflect this
- Published **entry requirement** may be different to **grades on entry**
- Modern Languages at Leeds: offer ABB; only 42% of students starting gained this grade or above
- Maths at Imperial College, London: offer A*A*A; All students met or exceeded this (80% of students had A*A*A*!)
- Fashion Marketing and Comms at AUB: offer 120 Ucas points; 52% met or exceeded this

Use UCAS **historic entry grades data tool** to help

Confirmation and Clearing

- Results issued in **mid August** when offers are confirmed
- If student **meets** firm offer they go to their **firm choice** university
- If student **misses** firm offer but **meets conditional offer** they go to their **insurance choice** university
- If they miss both, they are automatically in **Clearing**

Confirmation and Clearing

- Students can also enter **Clearing** by releasing themselves
- Students can apply **'Direct to clearing'** on results day, if places available
- Students can also **withdraw and re-apply** the following year for other courses or places
- Can't hold a deferred place in one round and reapply for a 'better' place in the next

Esher College Dates and Deadlines

- All **deadlines** are in the parents' information sheet
- They may seem early but...
- Lots of **checking** of the form necessary
- Over **900 forms** sent from Esher in last cycle
- **Most** universities will accept late forms but are not obliged to consider them

Oxbridge applications

- Helen Humphreys - Oxbridge coordinator
- Presentation on applying to Oxbridge at Higher Education Day next week
- **Encouragement** of potential students already taking place
- Online and in-person **talks, conferences and visits**
- **Open Days** in July
- **Early deadline**, tests, interviews etc
- Typical GCSE profile **8 x grades 8-9s**
- Typical A level offer **A*AA**, typical achievement **A*A*A**

Art / Art Foundation Applications

- **James Leonard** - Art Foundation Coordinator
- Individual applications to **each** art college separately
- Foundation course - a one year diagnostic **pre-degree** course
- Separate system to UCAS and students may apply to both
- **No tuition fees** for students under 19 at start of course
- **Portfolio** progression pathway or creative **EPQ**

Higher Education Day 2023 – Tuesday 21 March
