

HERE TO HELP YOU SHINE

Are you a high achiever?

Are you predicted mostly 8s and 9s at GCSE?

Are you curious about the world around you?

Are you someone who likes to ask questions?

Do you want to build skills for success?

Do you have a talent that you want to nurture?

Do you want to think for yourself and
push yourself further?

Are you willing to engage with activities
that will broaden your knowledge and
understanding?

**Did you know that 89% of the last cohort of ex Esher College students to graduate,
achieved a 1st or 2:1 at university?**

At Esher College, we believe in nurturing talent, skill and academic ability. Not only will we encourage you to shine in lessons but we will provide you with opportunities to extend your knowledge, experience and interests outside of the classroom.

SUPPORTING YOUR SUCCESS

Freya: Freya came to us from Teddington School with a prior attainment of 7.91. She has applied to Oxford to read Law. She is currently studying Biology, English Literature and Maths and is predicted A* for all. She also studies EPQ. Freya has always shown commitment to her studies, attaining 1s for effort in all subjects for two years, at all six of her progress reviews. She is also a triathlete, regularly representing Great Britain.

OUR SPECIALIST OXBRIDGE PROGRAMME IDENTIFIES OXBRIDGE POTENTIAL AND SUPPORTS STUDENTS IN THEIR APPLICATIONS

WE PROVIDE OPPORTUNITIES TO EXTEND YOUR LEARNING & EXPERIENCE INCLUDING COMPLEMENTARY STUDIES & PROGRESSION PATHWAYS THAT YOU COMPLETE ALONGSIDE YOUR CORE PROGRAMME.

Gus: Gus came to us from Teddington School with a prior attainment of 6.82. He is now studying History at Exeter University, having achieved A*, A, A in History, English Literature and Economics, as well as an A* in EPQ. He also took a Complementary Study in Spanish Language and Culture. What made him stand out was that he adapted quickly to College life, showing a curiosity and drive to succeed. He always wanted to find out more and regularly spoke to his teachers with questions either about the course or about what he could read to deepen and broaden his understanding.

JOINING OUR STUDENT UNION TEAM, VOLUNTEERING ABROAD OR GETTING INVOLVED IN DUKE OF EDINBURGH AWARDS, PROVIDES GREAT OPPORTUNITY FOR PERSONAL DEVELOPMENT.

OUR PROGRESSION GUIDANCE TEAM AND DEPARTMENTS BUILD STRONG LINKS WITH UNIVERSITIES & HIGHER EDUCATION ESTABLISHMENTS SO THAT YOU GET THE SPECIALIST ADVICE AND GUIDANCE THAT YOU NEED

OUR WIDER SKILLS WEEK PROGRAMME ENABLES YOU TO CHOOSE AN ACTIVITY OR TRIP TO ENHANCE YOUR LEARNING OR EXPERIENCE.

Jess: Jess came to us from Tolworth Girls' School with a prior attainment of 7.03. She has applied to Dance School: skilled equally in singing, acting and dancing. She is currently studying Performing Arts BTEC, Dance A Level and English Literature and is predicted Distinction*, A and B.

Jess always giving 100%. This not only applies to her lessons but when practising technique, building new skills and learning from professionals. She has obvious leadership skills and regularly coaches and choreographs her peers. She sets herself high standards and expects them of others. She has recognised from the start, that learning is a continuous journey.

DID YOU KNOW?

We provide specialist advice and support for aspiring medics, vets, dentists and lawyers including preparation for LNAT exams.

We are proud of our students and regularly enter them for different competitions. Examples of wins have been: Creative Media BTEC student of the year in the National BTEC awards (2017); bronze and silver awards in the British Physics AS Olympiad (2019) and ten student gold awards in the UK Mathematics Trust Awards (2019); Ben Jueidini -Trinity College Gould Prize for Essays (2019).

We support our students who play sport at a national level, to balance their sports training, competitions and studies.

Many of our staff have worked in industry and/or have strong industry links, so can advise students on how to enter their chosen fields.
