

FURTHER INFORMATION
DEPUTY HEAD OF MATHS
FULL TIME - PERMANENT

Students:

Around 400 students currently take A Level courses in Maths, including over 50 taking A level Further Maths. AS Further Maths and Core Maths are also taught as extension qualifications. In addition, we have around 50 students taking Level 2 courses

Staff:

The department consists of a well-established team of 9 specialist mathematics teachers including a Head of Department, supported by a Deputy. Two other members of staff have responsibilities for courses within the department.

Courses & Exam Boards:

The work of the department lies predominately in A Level courses following the Edexcel courses. We also teach GCSE Maths following the AQA course as well as the AQA Level 1 Functional Skills Maths qualification as a stepping-stone course towards GCSE Maths.

Department and Facilities:

Examination results are strong and the Department has a highly collaborative approach with continued excellence in teaching and learning is at its core. A staff workroom located centrally among the suite of seven Maths classrooms enables the department to discuss their work and exchange ideas readily. Department facilities include data projectors, visualisers and iPads in all rooms and all staff have their own surface laptop. The College has a well-developed portal where the Maths staff share teaching resources freely and where specialist software packages including Integral Maths and Exam Pro and the relevant e-textbooks are available. All teachers contribute to the central support structure of Maths Clinics which take place daily at lunchtimes.

College Hours:

College teaching periods start at 8.55 am and end at 4.15 pm. Each teaching period is 65 minutes.

Salary:

Salary will be £49,766 to £52,123 per annum inclusive of fringe area allowance, depending on experience. Salary figures include the recently agreed Teachers Pay Award.
