Esher Sixth Form College 2025 UCAS Apply deadlines

Students **must** have a **face-to-face** (*in person or Teams*) **HE discussion meeting** with a member of the Progression Guidance team **before** paying and submitting their form. **No forms will be processed** until the face to face meeting has occurred. Please note our 'turn around' time commitment is only valid for forms submitted **without errors**. These deadlines apply to post-results ('6.3') applicants also.

Applications can be submitted from the start of teaching in the autumn term, Monday 9 September 2024.

Type of application	You must submit your form beforeand we will send your form to UCAS
Medicine, Veterinary Science, Dentistry and Oxbridge applications	8am on Wednesday 25 September 2024	by the UCAS early deadline of 15 October 2024
Competitive applications <i>(if you want your form to be processed with 10 working days)</i>	8am on Monday 21 October 2024	within 10 working days of the form being received, provided it is error-free
General applications	8am on Monday 11 November 2024	by the end of the autumn term, Friday 20 December 2024
General applications - final deadline	8am on Monday 25 November 2024	by the UCAS final 'equal consideration' deadline, 29 January 2025

Forms handed in after 25 November will probably meet the 29 January UCAS deadline, but we **do not guarantee** this.

Most universities operate a policy of '**first come, first served**'. An **early application** for any course at any institution **optimises** the chance of receiving an offer. **Get it right, get it checked, get it in!**

Finance and funding

- Financial support code – almost everyone chooses the second option (UK, ChI, IoM student finance) and then the same area of residence again
- Student Finance England opens March, closes mid May for GUARANTEED funding by beginning of term
- Parent briefing on finance in May (and last year in May)

If you intend to take out a student loan for tuition fees (almost everyone) you choose UK, ChI, IoM or EU Student Finance Services.

‘Student support arrangements’ is the same as your area of residence, e.g. Kingston upon Thames, Surrey, etc.

Example Personal Statement: International Business and Management

This International Business and Management Personal Statement was used to apply to Leicester, Glasgow, Edinburgh, Dundee and Birmingham. The applicant was made an offer by every university listed and firmed the University of Birmingham.

International business and management is my top priority because it reflects my interests in social sciences. Globalisation and the involvement of large multinational companies like Google, Apple and Unilever has commenced my interest in business management and economics as well as the social interactions and implications.

Begin your Personal Statement with a few sentences which draw the reader in. It is important to be original.

This means relating your statement to a personal experience or interest. This will be a theme throughout the statement so begin broadly and aim to narrow down as you go.

Relating this experience or interest to a specific case, globalisation and internationalisation of firms in my case, will demonstrate your genuine interest in and understanding of the topic.

I have always wondered how firms are able to grow so large and function on so many markets globally and simultaneously be in control of all their operations. Business and

Students **must** have a **face-to-face** (*in person or Teams*) **HE discussion meeting** with a member of the Progression Guidance team **before** paying and submitting their form. **No forms will be processed** until the face to face meeting has occurred. Please note our 'turn around' time commitment is only valid for forms submitted **without errors**. These deadlines apply to post-results ('6.3') applicants also.

Applications can be submitted from the start of teaching in the autumn term, Monday 9 September 2024.

Most universities operate a policy of '**first come, first served**'. An **early application** for any course at any institution **optimises** the chance of receiving an offer. **Get it right, get it checked, get it in!**
