

FUTURE FOCUSED LEARNING

To Empower Your Children

Who Are We?

**Our mission is to give every student
on the planet the skills and belief to
change the world**

the internship

What is 8billionideas' The Internship?

- A modern alternative to work experience for students
- A live 3-day virtual internship, completed from home
- An insight into how a company operates:
 - HR
 - Product Design
 - Sales & Marketing
- An award-winning annual collaboration with Esher College

Why do 8billionideas' The Internship?

- Participating students will develop critical and in-demand skills:
 - Teamwork, Entrepreneurship, Problem Solving, Critical Thinking
- Students will delve into the world of work and try out different departments in a company
- They'll be able to enhance their UCAS personal statement other future applications
- An opportunity to hear from industry experts
